Governor's Council on Alcoholism and Drug Abuse Posts Regulations for Public Comment

TRENTON – The Governor's Council on Alcoholism and Drug Abuse (GCADA) has posted its regulations, presently up for re-adoption, for public comment. The public comment period is July 7, 2014 through September 5, 2014.

The regulations will be posted on the GCADA website, gcada.nj.gov on the Policy and Planning drop down page. Instructions for public comment will be provided on the page as well.

GCADA helps review and coordinate State departments' efforts in regard to the planning and provision of treatment, prevention, research, evaluation, and education services for, and public awareness of, alcoholism and drug abuse. It also administers the State's \$10 million Alliance to Prevent Alcoholism and Drug Abuse Program, which is the largest network of community-based anti-drug coalitions in the nation, encompassing more than 500 municipalities, involving thousands of individuals and stakeholders passionately committed to creating healthy and safe communities throughout New Jersey.
